I am a highly skilled Frontend Developer with expertise in HTML, CSS, JavaScript, React, and React Native. Specialized in implementing responsive designs and creating engaging and functional interfaces. Committed to innovation and continuous

Experience

- Feb 2022 (Currenly)
  Web developer
  AntPack

  Active Web Developer since Feb 2022. Engaged in frontend development tasks, including HTML, CSS, and JavaScript. Collaborating on the creation of responsive and user-friendly interfaces. Ongoing commitment to staying updated on latest web development trends.

- **React Native Mobile Developer:**
  Imaginamos

  The word "résumé" comes from the French word résumer meaning 'to summarize'. Leonardo da Vinci is credited with the first résumé, though his "résumé" takes the form of a letter written about 1481–1482 to a potential employer, Ludovico Sforza.

- Sep 2019 - Jul 2021
  React Native Mobile Developer:
  Let's goal · Profesional independiente

  Contributed to the development and enhancement of cross-platform mobile applications using React Native. Collaborated with the team to create interactive components, ensure platform compatibility, and optimize performance. Participated in feature implementation, conducted thorough testing, and played a crucial role in the planning and execution of updates
